*Beach And Swim Center*

## **Policies and Procedures**

Tega Cay Beach and Swim Center is a city owned facility supported by annual fees from Pass Holders. The Facility is for the use of Annual Pass Holders and their guests. Please adhere to the policies and procedures specified in this booklet and posted on the premises. Your safety and enjoyment are the primary concerns in establishing these guidelines. These rules are subject to change with a one-week notice that will be posted on both the bulletin boards in the entrance of the pool and the front porch area. Please take the time to read these postings periodically to keep you informed on upcoming events and changes. These policies are as of January 1, 2008.

### **Participation**

Annual passes are available on a calendar year basis

You will need to fill out an application and have pictures of each member of the family taken. If you were a member last year you will just need to update any changes that have changed from the prior year. OR If you or your child has changed in appearance we will need a new picture. Your picture in our system is the way we identify you as a member; **beginning in 2008** if we do not have your picture on file you will not be permitted in the pool area. This helps us to know who is entering our pool at all times.

*Each Annual Pass Holder will be presented upon request with an access card to the fitness area to use during hours the facility is closed. The first card will be free to members; any card after the first will cost \$10.00 each.*

### **Guest Policies**

Your guests are welcome at the Beach Center. However, to maintain equity and safety in the use of the facility, the following guidelines are in force. There will be (4) free guest passes given with each family membership and (2) with all other memberships. These will be added to the computer with your information and you will need to come in the front office to pick them up if you did not receive them when you renewed your membership. *Free guest passes do not carry over to the following year; but all guest passes you purchase on a card will carry over.*

**NEW IN 2008: All guest passes must be purchased during regular office hours. The office will be closed on Monday's. Guest will not be permitted in pool without a guest pass so please plan ahead and purchase during our office hours.**
