

# **NEW POLICY**

## **EFFECTIVE TUESDAY, JULY 28TH**

**ALL children in diapers are REQUIRED to wear swimmy diapers along with the RUBBER PANTS.**

**Also, there will be a minimum of a \$250 dollar charge, or cost incurred by the pool, for each incident that causes the pool to be shut down for any amount of time.**

Any parent that brings a child to the pool without having both the swimmy diaper and rubber pants will be asked to purchase them from the concession stand or leave the pool area.

Beginning Tuesday we will have a staff member sitting in the entrance area of the pool selling the rubber pants to any parent that does not have them already. We will offer six different sizes of the rubber pant; the charge will be **\$6 dollars each or two for \$10.** These pants are reusable and one pair may be enough to get you through the rest of the summer. Please feel free to contact the office with any questions you may have. I want to remind you that each member is responsible for making sure the guests you may bring to the pool follow the new policy changes; you are responsible for any incidents they may have.
